### THE WINES:

#### Royal Prince

##### *Napa Valley Cabernet Sauvignon*

-A seamless, opulent, densely textured wine that is at once extravagant and racy in its precision. Dark and almost opaque in color, it shows aromas of truffle, black cherry and licorice. The wine fills the palate with an amazing energy, leading to a deeply textured mouthfeel, and culminating with fine-grained tannins and an exceptionally long, lifted finish.

##### *Santa Barbara Pinot Noir*

-The wine shows balance and richness with aromas of dried cherries, Dijon mustard, violets and baking spices. It's garnet in color, viscous and supple, and expresses vibrant flavors of pomegranate and black cherry. The tannins are plush, smooth and balanced by vivid acidity.

#### Royal Princess

##### *Sonoma Coast Chardonnay*

-Revealing steely aromas of citrus oil and wet stones, the wine shows flashes of laser beam acidity, a freshness with a glycerin mouthfeel and a medium-bodied, clean, bright finish.

##### *Russian River Valley Rose*

-Vibrant aromas of lush peach, California blood orange and a hint of salinity. Plush yet focused, flavors of guava, wild strawberry, and grapefruit gently ambush the palate. Bright acidity accentuates a long, mouthwatering finish.
