

ROYAL PRINCESS

2019 CHARDONNAY SONOMA COAST

WINE PROFILE

Light gold color, revealing notes of matchstick, orange blossoms and wet slate, the 2019 Royal Princess Chardonnay is brimming with flashy acidity with a polished, medium-bodied finish.

Restraint in the winemaking allows the wine to showcase the coolness and fog-filled influence of the extreme Sonoma Coast. Crisp, mouthwatering salinity lures you in with each sip.

JEB DUNNUCK

"...a medium to full-bodied Chardonnay offering beautiful fruit, a solid spine of acidity, and a great finish. It could be twice the cost and still be a good value. Drink this beauty over the coming 2-3 years."
