

# ROYAL PRINCE

---

## 2021 Reserve Napa Valley Cabernet Sauvignon

---

### WINE PROFILE:

Big, bold and racy, this Cabernet Sauvignon has a dense purple, almost opaque hue and offers up an electrifying bouquet dark red, blue and black fruits with notes of tobacco leaf, graphite and spicy oak. Opulent and layered it flexes its power but is framed by refreshing acidity with silky, sweet tannins.

The 2021 displays loads of potential for being enjoyed in its youth, while also rewarding patience over the following decade. Royal Prince is earning its reputation for producing wines that taste 2-3 times more expensive than they cost.
