"With an astonishing combination of delicacy & savory depth, this luscious red brings about flavors of cigar leaf & black cherry that are quite ethereal." -
Meridith May

"A light, billowy mouthfeel with juicy, expressive fruit and an earthy demeanor. Acidity is high profile and herb-seasoned strawberries, patchouli-inspired incense, and red cherries take the spotlight from midway to finish."

"Dark-cherry liqueur aromas weave through dried mushrooms and black plum on the rich nose of this bottling. There is a stony grip to the sip, where cranberry and dried currant flavors show."
